SOF4640U Final Presentation Group 11

Kajan Ravindran - 100608620

Sachin Teckchandani - 100620287

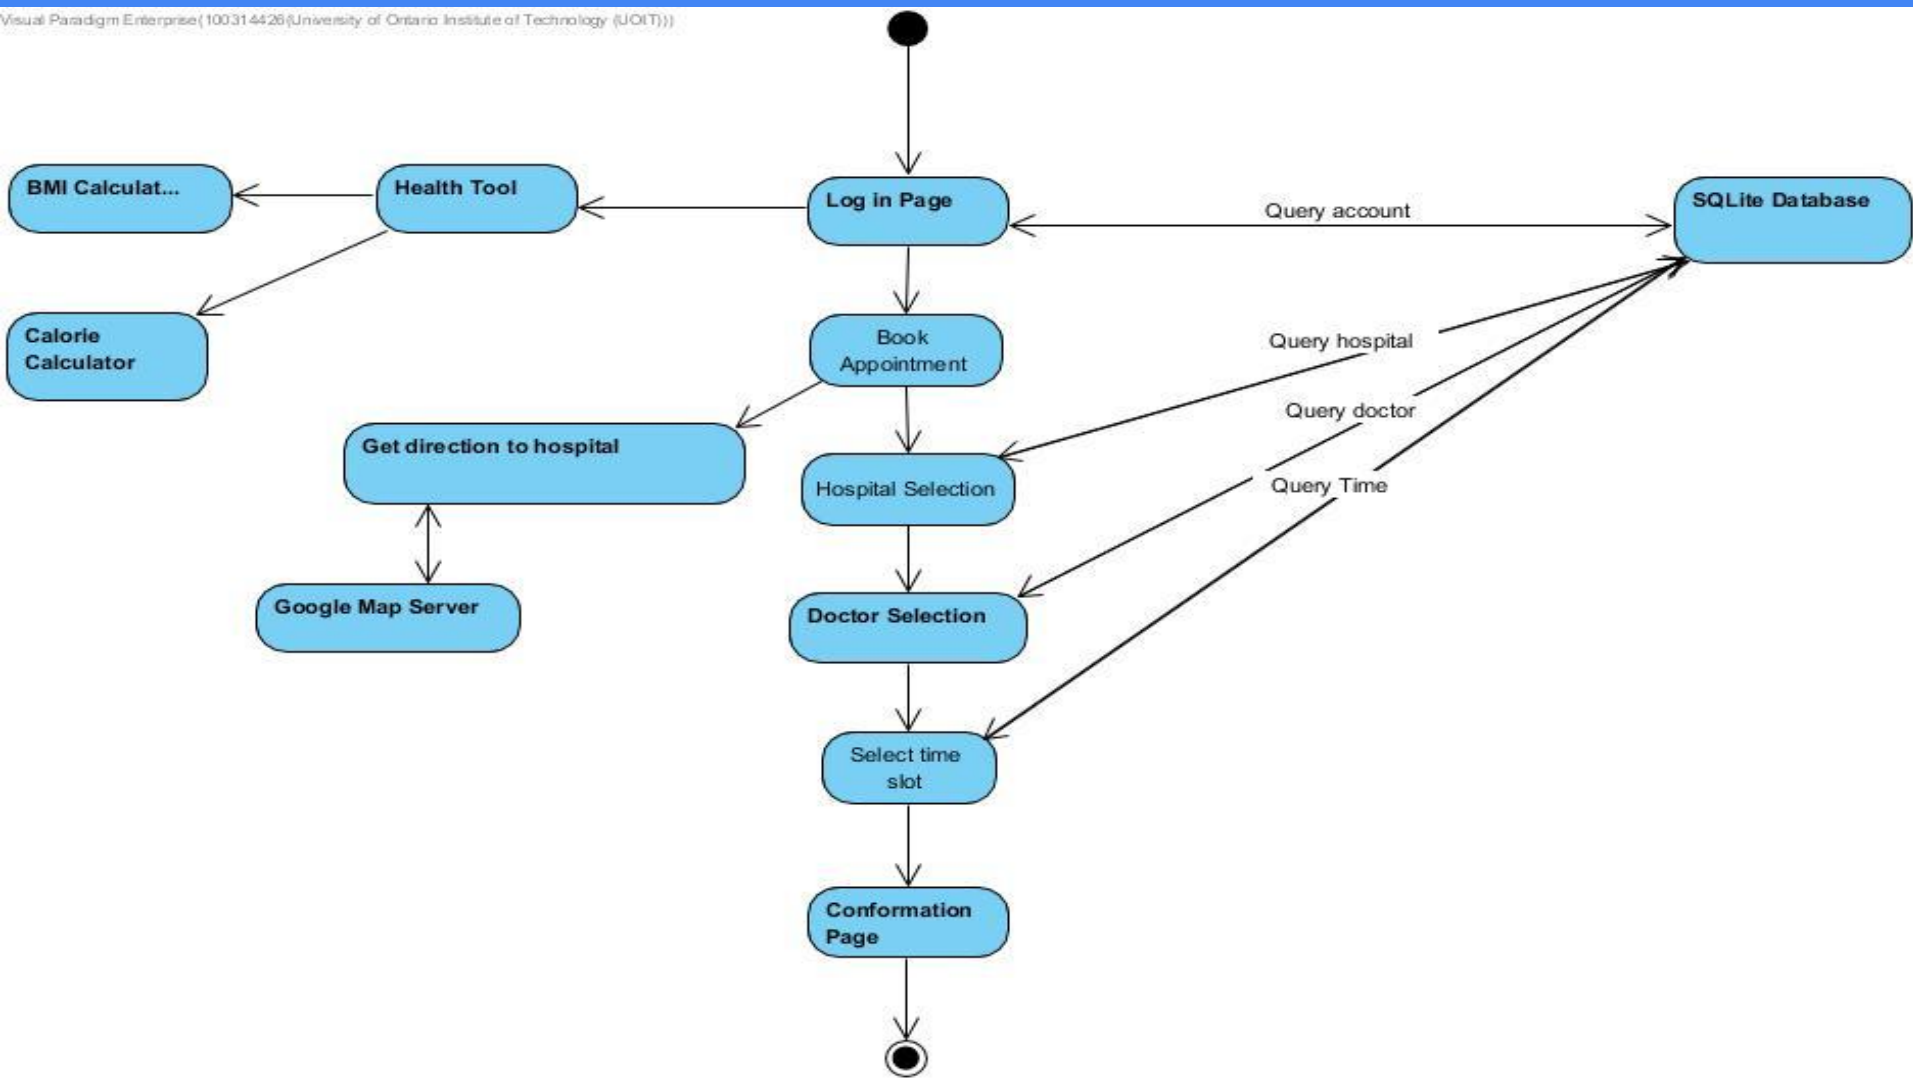

Zeera Siddiqui - 100554495

Yin Zhou - 100314426

MedDocs Proposal

Our Solution:

- Create an application that facilitates the booking for patients and provide health stats tracking.
- Database available to hospital to check bookings.
- App is user focused.
